projects, new construction and maintenance, relocation and remodeling; oversees carpenter and painter, ensuring work projects are coordinated with appropriate department heads and contractors and analyzing the cost benefit ratio to the County; reviews CTEP projects and road abandonments, analyzes and evaluates requests for maintenance districts and assists with the research and implementation of rural improvement districts; required to be on-call evenings and weekends; serves as ADA Building Accessibility Coordinator jointly with Deputy Director and the HR Director; Program Manager for grant funded County projects, provides Budget Officer/Grants Coordinator with required reports and financial documentation; ensures that all Public Works Department Equipment and Fleet Vehicles are well maintained and safe to use and recommends replacement of equipment and vehicles when necessary; acts as a liaison for the County and fosters constructive and productive working relationships with contractors, consultants, engineers, surveyors, governmental agencies and departments, developers, professional and technical groups and the general public in connections with departmental activities and services; coordinates projects including the Great Falls Community Development Department, Montana Department of Transportation and Malmstrom Air Force Base; oversees the Municipal Separate Storm Sewer Systems (MS4) program to ensure compliance with all state and federal requirements; performs other duties as required or assigned.

Knowledge and understanding of: Considerable knowledge of the principles and practices of public works supervision and management; preparation, management and administration of operating budgets; county, state and federal regulations regarding procurement and bids; departmental organization and procedures; building codes, maintenance and repair; road construction, repair and maintenance; civil engineering practices and procedures pertaining to drainage, construction and maintenance; pavement management systems; procedures and processes for creation of improvement districts; Municipal Separate Storm Sewer Systems program; management and supervisory practices and procedures; Cascade County Human Resource policies and procedures and related state and federal statutes; word processing and spreadsheet software; safety rules, procedures and practices.

Skills and Ability to: Plan, organize, prioritize, supervise and evaluate the work of skilled and unskilled workers in construction, maintenance and repair work; foster and maintain a team-oriented environment; apply demonstrated management practices to the operations of the Public Works Department; organize and manage projects on a short-term and long-term basis; understand and interpret designs and specifications; extensive professional written and oral communication skills, including public speaking skills; demonstrate professional and effective interpersonal and human relation skills; using good judgment and discretion when providing information, interacting with the public and representing supervisors; read and interpret complex engineering, architectural, and construction specifications, sketches, diagrams and blueprints; maintain time, cost and material records and prepares comprehensive reports; establish effective working relationships with the Board of County Commissioners, Budget Officer/Grants Coordinator, Human Resources Director, other County departments, employees and the general public; work effectively with unions and interpret and comply with collective bargaining agreements; communicate well with others in both technical and non-technical terms; prepare accurate and professional cost estimates, reports and records containing findings, recommendations and technical documentation; operate a personal computer using word processing, spreadsheet and database applications appropriate to assigned duties; use logical and creative thought processes to develop solutions according to written specifications and/or oral instructions; perform a wide variety of supervisory and public relations tasks with accuracy and speed under the pressure of time-sensitive deadlines; adapt to and utilize technological changes and innovations; understand and follow complex laws or regulations; exercise individual initiative; follow verbal and written instructions; establish effective working relationships with fellow employees, supervisors, various government agencies, and the public; meet challenges and exercise sound judgment in stressful situations with resourcefulness through original thinking and creativity.

EDUCATION AND EXPERIENCE

The above knowledge and abilities are typically acquired through a combination of education and experience. At a minimum all applicants must have:

Education/Experience/Training:

Bachelor's Degree in Civil Engineering, Public Administration, Business Management or closely related field **and** five (5) years of progressively responsible experience in road maintenance, construction **including** four (4) years of supervisory experience.

Or any equivalent combination of relevant experience and training totaling nine (9) years.

Certifications:

- Valid Driver's License issued by the State of Montana.

The successful applicant must serve a 1-year probationary period and may have a criminal background check conducted. The results thereof may disqualify the applicant from consideration for employment with the County. Applicant must possess a valid Montana Driver's License issued by the State of Montana or be able to obtain one within 30 days of hire.

Notice to Applicants: Applicants who are claiming Veteran's or Handicap Preference **must** provide a DD-214 Discharge Document or DPHHS Handicap Certification **and** Employment Preference Form with their application for employment so Cascade County may apply the preference during the selection process.

Cascade County makes reasonable accommodations for any known disability that may interfere with the applicant's ability to compete in the recruitment and selection process or an employee's ability to perform the essential duties of the job. For Cascade County to consider such arrangements, the applicants must make known any needed accommodations.
