Why Cascade County and Great Falls?

Cascade County and Great Falls, pop. 86,000 is Montana's third largest Metro area. The County is one of the most geographically diverse in the nation, encompassing tall peaks, vast forests, prairie grasslands, and desert badlands. The County offers some of the best fly fishing opportunities in the west and has limitless outdoor recreation from hiking to biking to hunting and snowsports.

Benefits of Living in Cascade County:

- One of the most affordable housing markets in the United States.
- Growing "recession-proof" economy.
- Low cost non-stop flights to Phoenix and Las Vegas year-round.
- Less than three hours to Glacier and Waterton Lakes National Parks.
- Some of the best schools and medical facilities in Montana.
- Community amenities include River's Edge Trail, Montana State Fair and the Lewis and Clark Interpretive Center.
