Good morning Raina –

The Department of Transportation has reviewed the subject special use permits. We do not have any comments or concerns with the subject permits although MDT does recognize the Foothills Ranch development is growing. This growth will potentially have an impact to the transportation system in that area, namely Montana Secondary 227 and U.S. Highway 87/89/MT Secondary 200. MDT will continue to monitor the growth and impacts for potential future improvements.
