Yes, the fall colors are amazingly beautiful along with the blue sky and the night sky has been filled with stars. Having a break from the winds is wonderful! Autumn is my favorite season, although spring is a close tie.

Thank you for your prompt reply. Looks like the butcher shop will be in addition to the place on Central Avenue. I will read the application on the planning website. Small butcher shops, especially from sustainable independent Montana ranches, are an appropriate addition to the community.

Enjoy the weekend and hope this nice weather continues!

Cordially,

Carolyn

Hello Charity,

Last week just flew by! Hope you are doing well and everyone in your family is staying healthy. I just know we will get through all this.

Quick Questions:

- 1) Has MFP submitted any new parcels or lots, applications, SUPs or any amendments, requests or additional information since your email of September 25th?
No, they have not.
- 2) Has a Location Conformance Permit been issued for either BSC or SFD?
No L/C Permits have been issued for either BSC or SFD.
- 3) Have there been any applications or SUPs submitted for slaughterhouse-related businesses, including land for commercial feedlots?
We have an SUP Application for a butcher shop and retail shop from "The Butcher Block Custom Meats" received on 10/01/2020. It will be on the ZBOA meeting for 10/29/20.

I really appreciate your timely responses and the ease of these communications. Thank you.

Cordially,

Carolyn
