RE: Extension Request for Silver Falls Distillery–Special Use Permit #016-2019

Dear Mr. Friesen & Mr. Murphy:

On April 26, 2021, the Cascade County Planning Department received a request for a six (6) month extension for the approval of Special Use Permit #016-2019 that was conditionally approved by the Zoning Board of Adjustment ("ZBOA") on May 28, 2020.

The Planning Department understands this six (6) month extension request is necessary due to the pandemic-related challenges, including travel restriction in effect within the past year which has prevented the project from moving forward as planned. With that in mind, this extension request is granted and will be in effect starting May 29, 2021 and will expire on November 29, 2021. Any future extension request must be granted by the ZBOA prior to the date of expiration.

Should you have any questions, please feel free to contact me.

Sincerely,

Charity N. Yonker
Planning Director
