To Whom It May Concern;

Thank you for your letter indicating the application by Karl J Birky for a townhouse on Parcel 2019022. We understand the application request. This property is located within our school district boundaries. The following is a response to the information sent to the Great Falls Public School District. We have formulated the questions below to comment on the proposed subdivision.

**1. Will the existing school facilities be able to accommodate additional students?**

*The addition of the development will have an impact on the Great Falls Public School District. An increase of students will be able to be accommodated by the school district.*

**2. Do you have any other comments or requirements on the proposed subdivision as it affects the public school system?**

*Any students will be able to ride existing bus routes to Meadow Lark Elementary School, North Middle School and CMR High School as needed.*

Sincerely,

Brian Patrick  
Director of Business Operations

Kareece,

I received the information regarding the subject special use permits and both projects are outside of the boundaries of the MS4 and therefore good on my end. Thank you.
