### Cascade County COVID-19 Vaccine Scheduling Update

Great Falls, MT – The Cascade City-County Health Department would like to announce temporary changes to the COVID-19 vaccination appointment scheduling process.

There will be no online scheduling this Thursday, February 11, for appointments next week (Feb 15, 17, & 19). Instead, all appointments will be booked from the existing waiting list.

Interest in the waiting list has been very high, so in order to get through as many names as possible on the waiting list, online scheduling is temporarily suspended. Individuals near the top of the list will receive a call or email to schedule their appointments.

Online scheduling will resume for future clinics. CCHD will announce resumed online scheduling on its Facebook page (<https://www.facebook.com/cchdmt>) and website (<https://www.cascadecountymt.gov/462/COVID-19-Vaccination>).

If you are 70 or older and have not already put yourself on the waiting list, please email [vaccine@cascadecountymt.gov](mailto:vaccine@cascadecountymt.gov) or call 406-791-9250 and leave the following information.

- Full name & spelling
- Home address
- Phone number (if calling) and/or email address
- Date of birth

Please put yourself on the waitlist using phone OR email—not both. Creating duplicate entries for one individual only slows down the process. **At this time, the Vaccination List phone line and email will remain open at all hours and people do not have to wait for scheduled times to join the waiting list.** Please be aware that you will not receive a call back indicating that we received your message. We will call you once your name is at the top of the list and we are ready to schedule your appointment. Emails will receive an auto-reply. (Note that you will only receive one. If you email us more than once, you will not receive more than one auto-reply).
