4-H MISSION STATEMENT

To provide an opportunity for 4-H member's project work to be evaluated and displayed; to participate in activities throughout Fair which demonstrate to fairgoers the diverse knowledge and skills developed through the 4-H program.

ABOUT 4-H

4-H is the premier youth organization of Montana State University delivered to Cascade County resident youth by Cascade County Extension Agents, Staff, and 4-H Volunteers. 4-H is the largest, out-of-school youth development program in the state, reaching nearly 20,000 youth in all 56 counties and 7 reservations. In 4-H, if you can dream it, you can do it! 4-H offers more than 200 different projects and learning experiences that actively engage youth while having fun. 4-H projects rely on trained adult volunteers who work with youth as mentors for hands-on learning. Montana State Fair plays an important role in 4-H members' learning experiences by giving them an opportunity to display their projects, engage with the community, and share what they have learned over the course of a year.

The 4-H year is October 1-September 30. 4-H is available for all youth ages 9-19 regardless of race, creed, color, handicap, gender, or national origin. The Cloverbud program is available to children 5-8 years of age. For more information visit the Harvest Building and meet with one of our agents or 4-H volunteers to answer all of your questions and to pick up printed materials. Visit our website for enrollment information at:

cascade.msueextension.org

PURPOSE AND OBJECTIVES OF EXHIBITING

1. Build self-confidence by participating in a one-on-one interview with a judge, sharing what and how a project is learned
2. Learn better methods of obtaining desired quality of exhibits through a judge's feedback and exchange of ideas
3. Develop sportsmanship habits
4. Develop teamwork skills by working with and helping others both (a) in sharing in responsibilities of coordinating fair and (b) by participating in fair
5. Share with the public an idea of what 4-H is through exhibits, club booths, and activities

GENERAL RULES AND REGULATIONS

1. All participants at Montana State Fair events are responsible for reading the **General Rules and Regulations** section of this handbook and complying with policies listed therein
2. Exhibitor agrees to all rules and regulations when they submit an entry form
3. All entrants must submit a W9 form at the time of entry to receive any premiums
4. Exhibitor's failure to comply with **ALL** rules may be cause for disqualification

ENTRY & DEADLINES

1. **New!** Complete entry forms on <http://montana-statefair-4-h-entries.fairentry.com/> starting in May. Log on with your FairEntry account or create a new account. Paper entry forms are also available at the Extension Office. **DO NOT** use Montana State Fair forms.
2. The deadline for static entries, non-animal contests, and domestic animal shows is the last Friday in June, by **4:00 p.m.** See small animal and horse show sections for details on other deadlines.
3. Members must be enrolled in the project and level to enter except in divisions marked as open.
4. Members may exhibit **ONLY ONE ENTRY IN EACH CLASS.** **Entry tags will be provided by the Extension Office.**
5. If you do not have a W-9 on file at the MSU Cascade County Extension Office, you must fill one out before premiums will be awarded. Forms are available at the Extension Office.
6. Return all paper entry forms to: Cascade County Extension Office, 3300 3rd Street North East #9, Great Falls, MT, 59404.

EXHIBITOR ELIGIBILITY

Cloverbud

Junior Division— 8-10 years old on October 1, of the current 4-H year.

Intermediate Division— 11-13 years old on October 1, of the current 4-H year.

Senior Division— 14-18 years old on October 1, of the current 4-H year.

1. Members (regardless of race, creed, color, gender, national origin, disabilities, etc.) of a 4-H Club residing in Montana are eligible to exhibit in this department.
2. A copy of your entry form will be provided upon check-in. You do not need to bring a copy. Any add/drop changes must be made prior to arrival by notifying the Extension Office.
3. Any necessary rule or schedule changes may be announced or posted by the superintendents.

STATIC ENTRY JUDGING

1. All static entries must be presented to a team of judges for review on the interview judging day (see schedule). Poultry educational displays will be judged at the respective show rather than at interview judging.
2. Interviews will be judged on communication skills, eye contact, knowledge of project, identification of goals and challenges, and the project itself. ****See Interview Judging & Scoring for detailed information on what to expect during an interview and how exhibitors will be scored****
3. Members unable to be present at the Montana State Fair **must** complete an **Absentee Interview Judging form** and must arrange to have exhibits delivered to Interview Judging the Harvest Building to be judged.
4. Exhibitors entering exhibits from their project books **MUST** bring the project book to the interview with the activity in the book completed. This ensures the judge clearly understands what the lesson of the project activity is and can determine how well the exhibitor has implemented what they have learned. The project book will not be judged at the fair. However, if an exhibit is entered from your project book without the respective activity completed, a judge may disqualify or severely subtract points from the overall score.

ENTRIES

1. Exhibits must be the work of the 4-H member and made during the **current 4-H year**. Exhibits made in the 2019/2020 4-H year will also be accepted.
2. All exhibits must remain on display until Check Out Day, (*see schedule) except in the case of an emergency and prior arrangements have been made with the 4-H Agent.
3. All exhibits remaining after Check Out Day will be brought to the Cascade County Extension office. **If exhibits have not been picked up from the Extension office after three weeks, the Extension office may choose to recycle, dispose, or donate entries without notice. Your exhibit is your responsibility.**

EXHIBIT DISPLAY GUIDELINES

Posters: May be vertical, horizontal, or squared and must be a minimum size of 24x18' if rectangular and 18x18 if square. A clear title must be present.

Non-poster Exhibits: There are no limitations on exhibits to be entered as long as they are the work of a 4-H member and related to the project the 4-H member is enrolled in. Exhibits displaying creative thought, ingenuity, and uniqueness are encouraged! Exhibits may be dioramas, project-related equipment with labeling of parts and/or purpose, or any other project that displays skills learned through 4-H.

EXHIBIT VS. POSTER

In every division, a 4-H member has a minimum of four opportunities to enter their work. Entries listed as "project from the project book" should be a project that the member has completed from their project book. The project must be within the level in which the member is enrolled.

The other three entries may be any other exhibit related to their project they have completed using skills and knowledge acquired through 4-H. For example, a member enrolled in leathercraft, level one may enter a project completed from the leathercraft project book. The member may also enter up to two leather projects they have selected on their own not found with in the book as an "any other exhibit (not a poster)", and one exhibit that is an educational poster.

PREMIUMS AND AWARDS

1. Premiums are paid to only grand, blue, and red award winners at the rate of \$6, \$4, and \$2, respectively.
2. Checks may be picked up at the Montana Expo Park Entry Office between the hours of 9-4p.m and cashed by October 1.
3. Awards listed in this premium book are subject to change.

CLUBS

1. ALL Clubs must submit a **Club Form** to the Extension Office by the last Friday in June.
2. Clubs may work on setting up a booth and decorations **Tuesday July 27 and Wednesday July 28 from 4:00pm – 8:00 pm, and Thursday July 29 during interview judging.**
3. Clubs entered in the club decorating contest must be set up one hour after interview judging is completed on Thursday July 29.
4. Club booths must display all items entered in the fair by their club members with the exception of items on display somewhere else in the department.

PARENT EXPECTATIONS

Parents and family are encouraged to mentor and guide 4-H members with their projects but **cannot** perform the bulk of the work. **Projects found primarily completed by an adult or anyone not the 4-H member presenting, will be automatically disqualified.**

INTERVIEW JUDGING & SCORING

4-H members use goal setting, problem solving, and ingenuity skills to create an exhibit that demonstrates what they have learned about their 4-H project over the last year. They then meet with a volunteer judge to communicate goals, challenges, and use of creative thinking. Through this process, 4-H members will grow and learn to be confident, skilled, and introspective individuals.

Volunteer judges will ask questions to learn more about an exhibitor’s project and what they have learned throughout their year in 4-H. The more details an exhibitor provides about the display of knowledge gained, the more likely it is exhibitors will earn more interview points.

Exhibitors should expect judges to ask these questions but must be prepared for any other question a judge may ask.

1. *What is your name, age, and the number of years you’ve been in this project and project level?*
2. *What were your project goals at the beginning of your 4-H year?*
3. *Did you meet your goals?*
 - a. *If no, why not?*
 - b. *If yes, what made you successful?*
4. *How do you feel you did with this project?*
5. *What are your future plans for this project?*

Scoring Guide: Each bullet point within a scoring category may not directly reflect the individual and their exhibit(s), but as a general collection of points. Each placing is comprised from a total of 20 possible points, 10 points from the interview and 10 points from the exhibit.

Blue Ribbon Placing: 13-20 total points

Red Ribbon Placing: 6-12 total points

White Ribbon Placing: 0-5 points

HOW TO SUPPORT 4-H YOUTH

State Fair awards are just one way we can recognize the efforts of hardworking youth. If you would like to sponsor an award for Montana State Fair next year, please contact the Extension Office at 406-454-6980 at the end of the Montana State Fair. There are many other ways to support 4-H youth! Consider enrolling as a project volunteer and mentor youth through project-learning opportunities. Other areas of 4-H to make donations to include: scholarships, the Green Tie Affair fundraiser, the Ambassador program, Achievement Awards, and County shows and contests of all kinds.

For more information on how to support Cascade County 4-H, please contact Allyssa Zoern at 406-454-6980.
