

# Cascade County Evacuation Warning

The Cascade County Sheriff's Office and Cascade County DES are advising you that your location has been identified for possible evacuation. This is a warning at this time. This will allow you time to prepare in the event you are advised to evacuate.

If you are given an evacuation order you will have perhaps 1 hour advance notice, or it may be an immediate request. Provided with this warning notification are some tips that may aid you in preparing for an evacuation. At the bottom of this warning are some questions that we **request that you fill out now.** It will aid us in locating you if needed when the evacuation order is lifted. Please give the bottom portion to an officer if he gives you an evacuation order or leave it with the check point officer directing the evacuation. Your cooperation is greatly appreciated.

Contact numbers for information if you are evacuated are DES 454-6900, or Cascade County Sheriff's Office 454-6820, or \_\_\_\_\_.

### Evacuation Check List

- Pack clothing for you and your family for at least 4 days.
- All medications, prescriptions, and over the counter medications.
- Important papers, insurance, birth certificates, titles, check books, credit cards, and etc.
- Family photographs
- Provide for family pets, food and water for 4 days, or better, take them with you or if not possible leave them with family of friends.
- Provide for relocation of livestock.
- Contact friends and family to let them know that you may be evacuated and where you will be.
- Notify law enforcement if you need help due to medical or physical disability.
- Remember to turn off breakers, except to heat, water, refrigerator, and please lock all doors, windows, and close interior doors.
