JOB SUMMARY

The Caregiver Provider (Provider) at the Cascade County Aging Services Department (Aging Services) provides intermittent and monitoring services to clients in order to provide a break (respite) for primary family and other caregivers during respite or working with clients who require assistance with housekeeping and chores in order to stay independent. The Provider is responsible for light housekeeping, cleaning, running errands, laundry while providing Homemaker services, and may have personal assistant duties while doing respite depending on the needs of the client. The Provider also engages clients in activities like reading, talking, going for a walk and playing a game. The Provider primarily works within the clients' residence but may provide services in another setting on a case-by-case basis, and performs other related duties as assigned or required.

ESSENTIAL JOB DUTIES AND RESPONSIBILITIES

Follows the plan of care determined by the Client Services Division Manager in conjunction with the primary family member or other caregiver; Supports Aging Services mission and philosophy and fully participates in achieving the Agency goals and objectives including, but not limited to, being available to work occasional evening and/or weekend events; Is present and attentive to the client's needs; Completes work in a timely manner and meets established timelines and/or deadlines; Responsive to and follows protocols in case of emergency situations; Provides specific services based on the plan of care which may include housekeeping, cleaning, cooking, running errands, laundry as well as other care items dictated by the client; May consult with the client's family to address concerns about client's health nutrition and well-being; May provide transportation and errand services for clients; Reports to the Client Services Division Manager when there are changes in the client's care needs or circumstances; Maintains records of hours and daily log for in home services and all other necessary documentation required; Maintains a safe environment within the care setting; Maintains client privacy; Provides written reports, evaluations and correspondence as needed or required; Maintains a respectful and supportive working relationship with other employees, management, clients, family members, businesses, medical professionals and the general public; Provides excellent customer service skills; Attendance at work is an essential function of this position; Responsible for cash handling and proper receipting; Performs other related duties as required or assigned.

Knowledge and understanding of:

Cleaning duties which includes operation of vacuum, broom, mop, laundry machines, iron and dishwasher; Operating a motor vehicle safely; Confidentiality policies, rules, standards and principles; Safety and security procedures; County and Aging Services policies, procedures, standards and guidelines; Personal Care and Safety standards and principles when working with impaired and/or at-risk individuals, including but not limited to, appropriate transfers and body mechanics, safely de-escalating clients, proper sanitation and hygiene practices; Proper protocols for emergency situations, including providing CPR or First Aid, if needed.
