Permit No.:	_____
App. No.:	_____
Applied Date:	_____
Permit Year:	_____

General Information

This form is for applying for a Temporary Fireworks Stand (TFS) Permit. A TFS Permit is a temporary Location/Conformance Permit valid for the time period between June 1st through July 31st and December 29th through December 31st for the year the permit was issued. For each tract of land that will be utilized for a TFS, a TFS Permit will be required. For permitted TFS operations: (1) no TFS stand shall be located, erected or constructed on an acceptable premise prior to June 1st of the year for the June 24th through July 5th selling period and must be removed by July 31st of the same year, and (2) no TFS stand shall be located, erected or constructed on an acceptable premise prior to December 6th of the year for the December 29th through December 31st selling period and must be removed by January 15th of the next year. Signage associated with a TFS shall be permitted by the granting of a TFS Permit and shall be subject to the provisions of Section 8.14 of the Cascade County Zoning Regulations.

Compliance Requirements

TFS Permit applications shall be submitted to the Cascade County Planning Office for review and shall require a site inspection as a part of the review process. The following checklist must be reviewed and completed by the applicant before the application can be reviewed.

- I acknowledge that all persons or legal entities engaged in the sale of fireworks in Cascade County must prominently display their permit at the premises where fireworks are sold.
- I acknowledge that all persons engaged in the sale of fireworks are prohibited from smoking within fifty (50) feet from any fireworks stand.

(Application continued on the back)

- One unobstructed exit for each stand 30 feet or less is provided. Two unobstructed exits for stands longer than thirty (30) feet are provided.
- One two-gallon pressurized water extinguisher (or equivalent) or charged garden hose is inside each stand less than thirty (30) feet. Two two-gallon pressurized water extinguishers (or equivalent) or charged garden hoses are inside each stand greater than thirty (30) feet in length.
- No person under the age of eighteen (18) years of age will be engaged in the sale of fireworks.
- A sign reading "NO SMOKING" is posted in letters at least four (4) inches in height where customers are most likely to read it.
- The premises used for the sale of fireworks meets the following locational requirements:
 - Located at least 300 feet from any worship facility, hospital, or educational facility.
 - Located at least 150 feet from any flammable liquid dispensing device or installation.
 - Located at least 150 feet from any residential dwelling unit.
 - Located at least 30 feet from any public roadway.
 - Located at least 50 feet from any non-residential structure.
- All weeds, dry grass and combustible materials have been and shall remain cleared within 25 feet of any premises used for the sale of fireworks.
- Electrical wiring is in safe condition.
- Fireworks will be displayed out of reach of members of the public.
- Permission from landowner has been obtained (if applicant is not the owner of the property).
- The location of each TFS meets the following setback requirements:
 - A front yard of at least 30 feet.
 - A rear yard of at least 30 feet
 - Side yards of at least 10 feet.
- A minimum nine (9) feet width by eighteen (18) feet depth parking space is provided with a minimum of five (5) parking spaces (the required front yard may be used for off-street parking).
- A site plan prepared at a scale not less than one inch equals one-hundred feet (1" = 100') containing the following is attached:
 - Existing structures and proposed locations for each temporary fireworks stand and required setbacks.
 - Location and dimensions of the proposed off-street parking.
 - Land uses of surrounding properties within 300 feet.

Certification and Acknowledgement

The above-named applicant acknowledges reading and understanding the permit rules and restrictions for the sale of fireworks within Cascade County, Montana. Applicant represents that he will abide by the same for the location, construction and/or use of the fireworks stand(s).

Applicant further understands that a condition of the granting of this permit is the inspection and approval of the above-described fireworks stand by an authorized agent of Cascade County, according to the rules and regulations provided herein and pursuant to Section 8.14 of the Cascade County Zoning Regulations. Applicant acknowledges that failure to maintain compliance may result in the revocation of an issued TFS Permit.
