**RE: Extension Request for Value-Added Agricultural Commodity Processing Facility:  
Cheese Processing Plant –Special Use Permit #006-2019**

Dear Mr. Friesen & Mr. Murphy:

On August 11, 2020, the Cascade County Planning Department received a request for a six (6) month extension for the approval of Special Use Permit #006-2019 that was conditionally approved by the Zoning Board of Adjustment ("ZBOA") on August 27, 2020.

The Planning Department understands this extension request is made with the abundance of caution given that Condition #7 remains pending on remand to the ZBOA. With that in mind, this extension request is granted and will be in effect starting August 28, 2020 and will expire on February 28, 2021. Any future extension request must be granted by the ZBOA prior to the date of expiration.

Should you have any questions, please feel free to contact me.

Sincerely,

Charity N. Yonker  
Planning Director
